This week we are finishing our artworks ready for the Fete Art Gallery. Our library is going to be transformed for the Fete and we invite parents and family members to come to the library and find your child’s work of art. Artworks will be available for purchase for a gold coin donation.
This week the primary classes have had a few juggling lessons and they have been busy practising their new skills. Infants’ classes have been pretending to be acrobats and walking on the high wire, they have all shown fantastic circus talents!
Thank you to all the families who have supported the P&C Association’s Clown Costumes. We have had lots of orders and your costumes will be ready for collection next Wednesday. Tomorrow is the last day that orders will be accepted in the library.

**Exersite**

During the school holidays new exercise equipment was installed. Mrs Fletcher took the three of us to try all of the new equipment.

In the exersite there are step ups, push ups, pull ups, crunches, balance beams, dips, L balance beam, sit ups, leap frog and log jump.

We think that the exersite is a great way to get the whole school active and we think the exersite is a good school program.

Last Wednesday I went to Sydney to compete in the Girls 12yr old state long jump. We stayed at the Quest Sydney Olympic Park. On the day there were people from everywhere. We had an opening march to begin the day.

When it was my turn, I was nervous because there were forty girls in my event. My jumps were 4.15m, 3.79m, 3.99m and the record was 5.15m. I came in the top twenty.

The best thing was getting experience, to see everyone competing and to compete in such a big stadium. I know next time I have to work harder to achieve my goals. *Charntaye*
