**Glasshouse Performance - The 26-Storey Treehouse**

Adapted by award-winning playwright and author Richard Tulloch. The 26-Storey Treehouse is brought to you by the same cracker team that delivered the smash-hit stage version of The 13-Storey Treehouse. You know what 13 more storeys means. More inventions like the 78 flavour ice-cream dispensing robot and the brain bamboozling Maze of Doom (not to mention the self-inflating underpants) and more things to go WRONG- not least of which is the every real possibility that the entire show is a complete and utter disaster. Will Andy and Terry push their friend Jill to her absolute limits? And who is this shady Hector Houtkop, with a really bad pirate accent? And what about ALL THOSE PIRATES?

Where: The Glasshouse Theatre, Port Macquarie
When: Term 3 - Thursday 23rd July
Time: 9:45 - 2:30
Cost: $22.00 including bus and entry fee.
The price has risen this year as there are no subsidies available.
Who: Years 3, 4, 5 and 6

There are limited spaces so first in basis. Notes will be going home this week.
LEARN TO PLAY GOLF SUB JUNIOR PROGRAM

FIRST DAY OF TERM 3: Tuesday 14th July, 2015 (Students Return)

My name is Mariah Haigh and I am a student currently in my second year of Primary Education at the University of Newcastle. I am very excited to be starting my practicum this week at Kempsey West. Miss Deans has kindly invited me to her class 2D for the next three weeks. I look forward to getting to know all students and staff and would like to thank them for such a warm welcome.

My name is Jay Prescott and I am from the University of Newcastle - Port Macquarie. I am currently completing my first of three practical assessments as part of my teaching studies. Christian Pettit has been extremely generous and kind in allowing me to be a part of his classroom until the end of this Term. I will strive to be a positive influence on your children's learning and development.

Hello, my name is Erika Dungay. I am a proud Dunghutti woman. I am very excited to be a student teacher here at Kempsey West Public School and cannot wait to get to know the students of Mr Scott’s Year 4 class. This is my first practical experience. I am in my second year at the University of Newcastle. In two years I will be graduating with honours in Primary Education and cannot wait to have a class of my own. I am very passionate in trying to close the gap for our Indigenous community through education. For the fourteen days that I will be attending the school, I look forward to many amazing experiences and fun opportunities to learn and grow. While I am here, it is my goal to learn everything possible about teaching and take away a fulfilling and positive experience. I am very appreciative to be given this wonderful opportunity at your school and would like to make myself available to help each student and their parent/guardians in any way I can.

We made videos on our Samsung Galaxy Tablets. I was in a group with Bella and Xavier. Isabella KH

We made a movie and took photos on the Samsung Galaxy Tablets. Christian, Roydan, and Jaiden were in the group with me. Reagan KH

We took a photo of our group making funny faces. We also took a photo of the apple face on the wall. Christian KH
On Frida
y afternoons we do
dance practice with Ms Kenyon.
We are learning a dance for the dance festival and it is
at Melville High School on Tuesday the 16th June. Our dance is called
‘All of Me’ and there are four dance groups altogether. Our dance is slow
and steady and some moves are tricky. We love participating in dance group
and it makes us feel happy and excited. Justine and Mikaela 6K

On Wednesday the 3rd June
the SRC (Student
Representative Council) had a
milo and muffin breakfast. We
raised $440. Thank you for
your donations. All of the money
raised goes to Healthy Harold-
Life Education Van.
SRC members - Paige 3/4M,
Lachlan 3G and Joshua 4S

We dug up the dirt and
planted peas and tomatoes in
the garden. We are going to
cook and eat them after we
have picked them. Lauren 1E

I dug holes in the dirt and I planted the
little pea seeds and then I flicked the dirt
over the seeds. I found a rabbit hole in
our garden and I had to fill it in. I had to
put the big seeds somewhere else. Eli 1E

In the playground we like doing
the splits and making up dances
during lunch time.
