Thank you to all those parents who attended our parent teacher interviews. If you missed out and would like to find out how your child is progressing, please ring the school to arrange another interview time with their class teacher.

With holidays approaching, we would like to once again thank all our parents and carers for their support throughout the term.

Just a reminder that students and staff will return to school on Tuesday 6th October, 2015.

Have a happy and safe holiday.

Keeping Kids Safe Online

5. Get a filter - Internet filters can help block inappropriate sites for children. None are completely reliable and it’s best if you talk about what websites are appropriate with your child so they understand and make the right choice on their own.

2B Young Scientists
How to Make Slime
1. We put water, cornflour and food colouring into a cup.
2. We mixed it with a paint brush until it became red or green.
3. When it was hard we put it in cling wrap and took it home.

My slime was runny.
I used red food colouring but it looked pink.
It was fun to do and it was a bit hard.
Maggie

It was messy and fun. Annelise

My slime didn’t really work out because I put too much water in it. Cedah-Lee
